## Winter Art Studio Poetry Café

On-campus: Feb 15, 2024  
7:00 pm—9:00 pm

**A night of poetry sharing with Reverend Rhetta Morgan to celebrate the reopening of the Art Studio.**

What winter themes come to your mind and heart?  
Poems of darkness and quiet  
Of nature and hibernation  
Of cold, crisp air  
Of the longing and waiting for spring  
What might you add?

Bring poems you've written  
Poems of other artists  
And poems of perennial masters

Won't you join us?  
Come enjoy the art studio,  
come sip tea, come to read, come to listen.
